Board of School Trustees: Mr. Michael Russell-President, Mr. Paul Sheldon-Vice President, Mrs. Patricia Reyes-Secretary, Mrs. Tiffany Fox-Member, Mrs. Diane Gonczy-Member, Mr. John Haas-Member, and Mr. Kevin Rainford-Member

Thank you to everyone in the North Newton family for making me feel welcomed as the Interim Superintendent. While my time with you is limited it will not be short on the important work of the school corporation. That work has started in terms of working with the Board of School Trustees on the search process to select the next superintendent of schools. The Board has meet with University Placement Team that represents the four state universities. They have established a tentative time line as follows:

Posting of Vacancy Notice: March 19, 2019
Application Deadline, April 26, 2019
Initial Screening of Candidate Pool, April 30, 2019
Candidate Interviews, April – May, 2019
Final Selection, May 2019
Superintendent Contract Begins on or before July 1, 2019

An Information Brochure and Official Application can be found on this web site for all interested candidates. The Board looks forward to receiving a quality candidate pool and this important step in the future of the school corporation.

In addition, the application process for the junior/senior high school principal and dean/athletic director has been completed. A group of Board members, administrators, and teachers will conduct first round interviews shortly after spring break for the principal position. Candidate pools for both positions are robust in both quantity and quality and will make final selection both challenging and rewarding for the future of the school.

Thank you for your continued dedication to the young people of our community.
