

# ENGAGE. EDUCATE. EMPOWER.

## Inclement Weather Delay/Closing or Early Dismissal Process September 28, 2018

Dear NNSC Family:

Please see the information below in regards to this upcoming school year. Please see the alert information below.

### Daily Procedures:

- Monitoring the weather from several different sources each day, and in the morning.
- Starting at 4 AM CST we are in the process of checking the local weather, incoming weather, and road conditions.
- Contact with the area Superintendents that border NNSC to see what they are seeing.
- Individuals who are out checking the roads by driving on them to have a better idea of what the driving conditions are.
- Direct contact with the Newton County Highway Superintendent. They do an excellent job of communicating about on road conditions and what it will take their department to get the roads ready.
- Depending on the type of inclement weather, it will depend on the resources that we contact.

**Time:** Ideally we would prefer to call all delays or cancellations the night before, but that cannot always be the case. We strive that if we call for a delay, then that is all we will need. We try to have the delay call/notification out prior to 5:30 AM CST. If we would have to cancel after a delay, the delay call would be made no later than 7 AM CST.

**Notifications:** We use “Blackboard Parent Link” to send out text/emails/phones calls (PLEASE put this phone number in your contacts **219-863-0420**, this is an unmanned number) If you are not receiving these, please contact the school. We also post notifications on Instagram-NorthNewtonSc, Twitter, NorthNewtonSc, and Facebook: <https://www.facebook.com/NorthNewtonSchoolCorp>. We also have our own APP on the Apple/Google Stores, search for North Newton School Corporation!

\*We will announce, if we do have to close, if it is an eLearning Day. Information concerning eLearning is on our website and each school will send information out.

Please feel to contact me if you have questions or comments. Email: [dhaas@nn.k12.in.us](mailto:dhaas@nn.k12.in.us) Phone: 219-285-2228
