As of the date of publication of this notice, all communications between the School Corporation and any prospective Design-Builder is to be through the School Corporation's Design Criteria Developer. Any Design-Builder or member of a Design-Builder's team who knowingly contacts a member of the TRC or School Corporation administration regarding the project is subject to disqualification.

No Pre-Submittal Conference will be conducted for this Project. Individuals wishing to visit the project site prior to submitting Qualifications should contact the Design Criteria Developer to schedule an appointment.

The RFQ contains, but is not limited to, the following: (a) A description of the Project, including the size and function of the facilities that are the subject of the Project, the approximate budget and the anticipated schedule, (b) A description of the selection process, including the process for communications between the potential Design-Builders and the School Corporation, including, but not limited to the North Newton Schools Technical Review Committee (the "TRC") and any agent of either the School Corporation or the TRC, the schedule for the selection process, the TRC procedure and a description of submission requirements; (c) The general qualifications for prospective Design-Builders, including appropriate experience with similar projects, team experience with design-build, organizational resources and depth of the Design-Builder, the prospective Design-Builder's history of contracting with or hiring minority business enterprises and women's business enterprises, the prospective Design-Builder's litigation and disputes history and the prospective Design-Builder's experience in dealing with bonding authorities; (d) The Project specification qualifications for prospective Design-Builder, including: The prospective Design-Builder's experience with the facilities or building types that are the subject of the

Project, the prospective Design-Builder's performance record, including quality, schedule and cost of each project, the prospective Design-Builder's proposed team composition, including the team's past experience in working together, the prospective Design-Builder's proposed key project personnel and the prospective Design-Builder's client references; and (e) A description of the qualifications statement evaluation process, which includes: An established rating system that complies with Indiana Code Section 5-30-5-4, as amended and Indiana Code Section 5-30-5-5, as amended.

All of the information set forth in the RFQ as described in the paragraph above are incorporated into this notice by reference. In addition to the foregoing information, the response submitted by prospective Design-Builders must include all of the information required by Indiana Code Section 5-30-5-3, as amended.

After reviewing and evaluating all of the responses to the RFQ received by the date and time set forth above, the TRC shall identify those prospective Design-Builders which will be issued a request for proposal in connection with the Project by the School Corporation. In accordance with recognized design-build best practices, the TRC intends to limit its recommendation to the three most highly qualified Design-Builders submitting Verified Statements of Qualification. The TRC and/or the School Corporation reserves the right to reject for any reason, and for no reason at all, any and all responses received to the RFQ and to be the sole judge of the value and merit of the responses offered. The School Corporation reserves the right to terminate this Project for any reason, and for no reason at all, prior to awarding the design-build contract,
