

**NOTICE TO TAXPAYERS  
OF ADDITIONAL APPROPRIATION**

Notice is hereby given to the taxpayers of the North Newton School Corporation (the "School Corporation") that the Board of School Trustees (the "Board") of the School Corporation will meet at North Newton Board Room, 310 South Lincoln Street, Morocco, Indiana, at the hour of 7:00 p.m. (Local Time) on September 14, 2020, to consider the following additional appropriation which the Board considers necessary to meet the need existing at this time:

An appropriation in the amount not to exceed \$5,350,000 on account of the renovation and improvements to school facilities throughout the district, including safety, security, technology and site improvements in the School Corporation (the "Project"), including the incidental expenses necessary to be incurred in connection with the Project. The funds to meet such additional appropriation are to be provided by the sale of real estate to the North Newton School Building Corporation.

The foregoing appropriation is in addition to all appropriations provided for in the existing budget and tax levy, and a need for such appropriation exists by reason of the inadequacy of the present buildings to provide necessary school facilities.

Taxpayers of the School Corporation appearing at the meeting shall have the right to be heard in respect to the additional appropriation.

In light of the changing circumstances as they relate to COVID-19 and the Executive Orders of the Governor of the State of Indiana regarding social distancing, please check the School Corporation's website or contact the School Corporation's central office prior to the scheduled hearing to receive up to date information about meeting logistics, including whether the meeting will be held electronically as permitted by Executive Order 20-34, and which may include instructions for how to access such electronic meeting, if applicable.

Dated this 26<sup>th</sup> day of August, 2020.

Patricia Reyes  
Secretary, Board of School Trustees  
North Newton School Corporation
