REGISTRATION INFORMATION 2021-2022

It's time to enroll students for the 2021-2022 school year. The first day of the 2021-2022 school year is Friday, August 13, 2021. We will be providing in person learning for all students (no virtual option provided), with masks being recommended but not required. Exception currently being on school buses (there is a federal mask mandate currently in place).

Online registration begins Monday, July 19, 2021. We strongly encourage parents to complete online registration as early as possible so we can plan for the upcoming school year. For any parents who need to come into school for registration, we will expect parents and students to socially distance, we encourage the use of face masks (but not required), and will need to limit those who do come into school to the parent/guardian and student if possible. For any questions regarding Online Registration, please email registration@nn.k12.in.us. Additional help for online registration, payment of textbook rental fees, lunch accounts, and important forms are available at our website at www.nn.k12.in.us under About Us/Registration.

Families of current NNSC students can register online for the new school year through August 6th. You can use the same parent portal ID and password that is used for acquiring report cards and checking grades. Parents/Guardians who need assistance with registering, have questions, are new to the district, or who do not have computer access can come into the schools **Monday, July 26th/Thursday, July 29th from 8:00am-4:00pm and Tuesday the 27th/Wednesday the 28th from 10:00am-6:00pm** at each school.
